## A NEW ERA

Thorup Copenhagen is an independent Danish design studio, crafting furniture, lighting, and objects with a commitment to design excellence. MA. Furniture Designer Kasper Thorup employs an intentional and purposeful design method, drawing inspiration from classic and contemporary influences. Innovative production methods seamlessly merge with analogue traditions under Thorup's hands-on guidance, resulting in a cohesive aesthetic across high-end objects that signify a new era in Danish Design.

## CLASSIC ELEGANCE, CONTEMPORARY FLAIR

Explore our furniture and lighting collection, blending classic elegance with contemporary flair for an unparalleled everyday experience. Employing intentional design methods, each piece signifies a new era in Danish Design, seamlessly integrating into any space to enrich your daily life with unmatched quality and style.

MIO TABLE

## A BOLD FUSION OF STYLE AND UTILITY

Introducing the Mio Table Series - a fusion of style and utility, elevating any space with elegance and practicality. Designed by Kasper Thorup, Mio is a testament to the harmonious blend of Danish joinery traditions and Japanese-inspired woodworking.

With a versatile range including a table, coffee table, and stool, Mio embodies enduring charm with its organic silhouette, promising to captivate as a centerpiece in any room. Made from premium FSC-certified solid oak, Mio epitomizes natural elegance, showcasing Thorup's dedication to design excellence in every aspect, from materials to crafting methods to production.

## ENHANCING ANY SPACE WITH STYLE AND FUNCTIONALITY

Introducing the Mio Stool & Coffee Table – meticulously crafted, versatile, and elegant pieces designed to enhance any space with their organic shapes and enduring charm. Made from premium FSC-certified solid oak, these furnishings seamlessly blend style and functionality, elevating your everyday experience with unparalleled quality. Perfect for various settings, the Mio Stool and Coffee Table serve as multipurpose furniture and interior objects.

## CRAFTED COMFORT: CONTEMPORARY STYLE MEETS TIMELESS DURABILITY

Noel presents a range of versatile, contemporary chairs carefully designed to ensure everyday comfort. They feature a minimalist style that makes them an ideal fit for various settings. Certified with the EU Eco-label, each chair is made from high-quality materials—brushed stainless steel and linen or wool flag halyard upholstery—these chairs emanate both timeless elegance and contemporary style, crafted for longevity. The series encompasses a diverse array of chair options, including the Chair, Armrest Chair, Lounge Chair, Kids Chair and Stools.

## SOPHISTICATED SEATING: CRAFTED FOR EVERYDAY COMFORT

Explore the versatile Noel Chair Series: contemporary seating meticulously crafted for everyday comfort. Representing a new era in Danish design, Noel seamlessly blends timeless elegance with contemporary style. With a minimalist design, they effortlessly complement diverse settings, exuding durability and sophistication. Choose between armrest options and base materials—brushed stainless steel or black powder-coated steel tube bases—paired with linen or wool flag halyard upholstery in natural hues.

## CHARACTERIZED BY ARTISTIC HONESTY AND REFINED ELEGANCE

The Noel Lounge Chair maintains the minimalist essence of the original Noel Chair. It rests upon a steel tube base, available in brushed steel or black powder-coated steel, and comes upholstered in a range of resilient, tactile fabrics, including linen or wool flag halyard, in natural tones.

The gently sloped frame showcases curved legs and refined joinery, while the broad backrest offers comfort with its reclined angle, creating a space for relaxation. Features the Noel series characteristic minimalist expression with an oversized seat that can be accompanied with a soft cushion.

## FUNCTIONAL VERSATILITY ELEVATED BY HIGH-QUALITY MATERIALS

Reflecting the core essence of the original Noel Chair, the Noel Bar and Counter chairs embody a contemporary seating solution that has been meticulously crafted to provide both functionality and visual appeal to those who value finely designed objects. These stools are carefully designed to ensure everyday comfort, featuring a minimalist style that makes them an ideal fit for various settings, including kitchen islands, high tables, and bar tables.

### FASHIONING BETTER MATERIALS

Exclusively available for Thorup, the Noel Chair Series is offered in the option of premium wool flag halyard in a selection of natural hues, imbuing each chair with refinement and uniqueness.

Based on the virtuous concept of repurposing, the wool flag halyard is dedicated to implementing pioneering initiatives to reduce material waste. The pure and undyed wool offers unparalleled diversity and durability, and the wool flag halyard is made using sheep wool sourced from the Faroe Islands, embodying Thorup's commitment to innovation and authentic materials.

### NOEL CHAIRS CERTIFIED WITH THE EU-ECOLABEL

All Noel Chairs are certified with the prestigious EU Ecolabel, which serves as our seal of approval to uphold an unwavering commitment to sustainability across every aspect of our chairs' lifecycle – from conscientious material sourcing to meticulous production, prioritizing repairability and recyclability at every turn.

Rigorously tested to meet L1 standards for endurance (EN1022:2005 and EN16139:2013) and backed by a five-year warranty, these chairs are built to last. Learn more at [thorupcopenhagen.com/eu-ecolabel](http://thorupcopenhagen.com/eu-ecolabel)
