

LIMBO
Playful Lighting

THE ART OF BALANCING

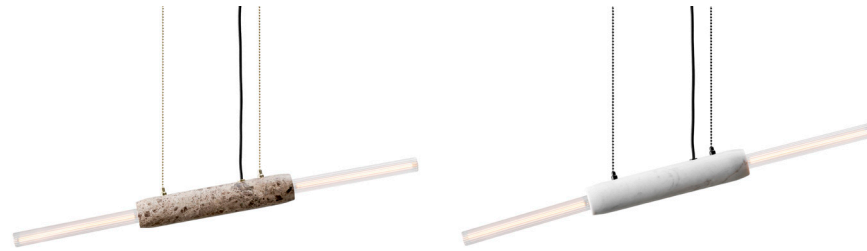

The Limbo light is a modern and artistic pendant – it is designed with a wish to play with both art and light mind.

The lamp design challenges traditional light design as well as gravity as Limbo is made of marble stone. We got inspired to make this lamp from the art galleries and street art close to our showroom in Copenhagen. Sometimes inspiration is just in front of you. We got motivated and found the right balance between light and art.

We call it Limbo as this lamp has no fixed direction. It can be hung in all directions – up, down, vertical or horizontal. The hand cut marble base is accompanied by two special made lightsabers that creates the artistic appearance of Limbo. The lamp will balance beautifully over the dining table, in the kitchen or the hall.

Collection Overview

Emperador | Gold
W: 84 x Ø6 cm

Carrara | Black
W: 84 x Ø6 cm

PRODUCT FACTS

Description

Limbo is a pendant made in marble with two special made lightbulbs attached. The pendant lamp is available in two designs - white Carrara and brown Emperador. The design is playful and eye-catching where Limbo gives you the opportunity to create artistic and innovative constellations.

Designer / Year Of Design

Design by Us / 2022

Material

Polished marble, coated iron and black textile cord.

Construction

The lamp is made of a polished marble tube with sockets in both ends. The marble tube is suspended in two ballchains which makes it possible to adjust the lamp easily. The canopy is a long rectangle with holes for the cord both in the side and in the end.

Maintenance

Use a dry cloth to dust of the lamp. For further cleaning use a soft non-abrasive cloth with warm water - wipe with a clean soft lintfree cloth.

Classification

Class II

Ip rating

IP20

Voltage

220 - 240V

Frequency

50/60Hz

Socket

E27

Canopy

Metal canopy in the same finish as the lamp

Max load

40W

Cord

3m black textile cord

Light source recommended

Art No.: 50024 - Tube Bulb 300 - Plissé

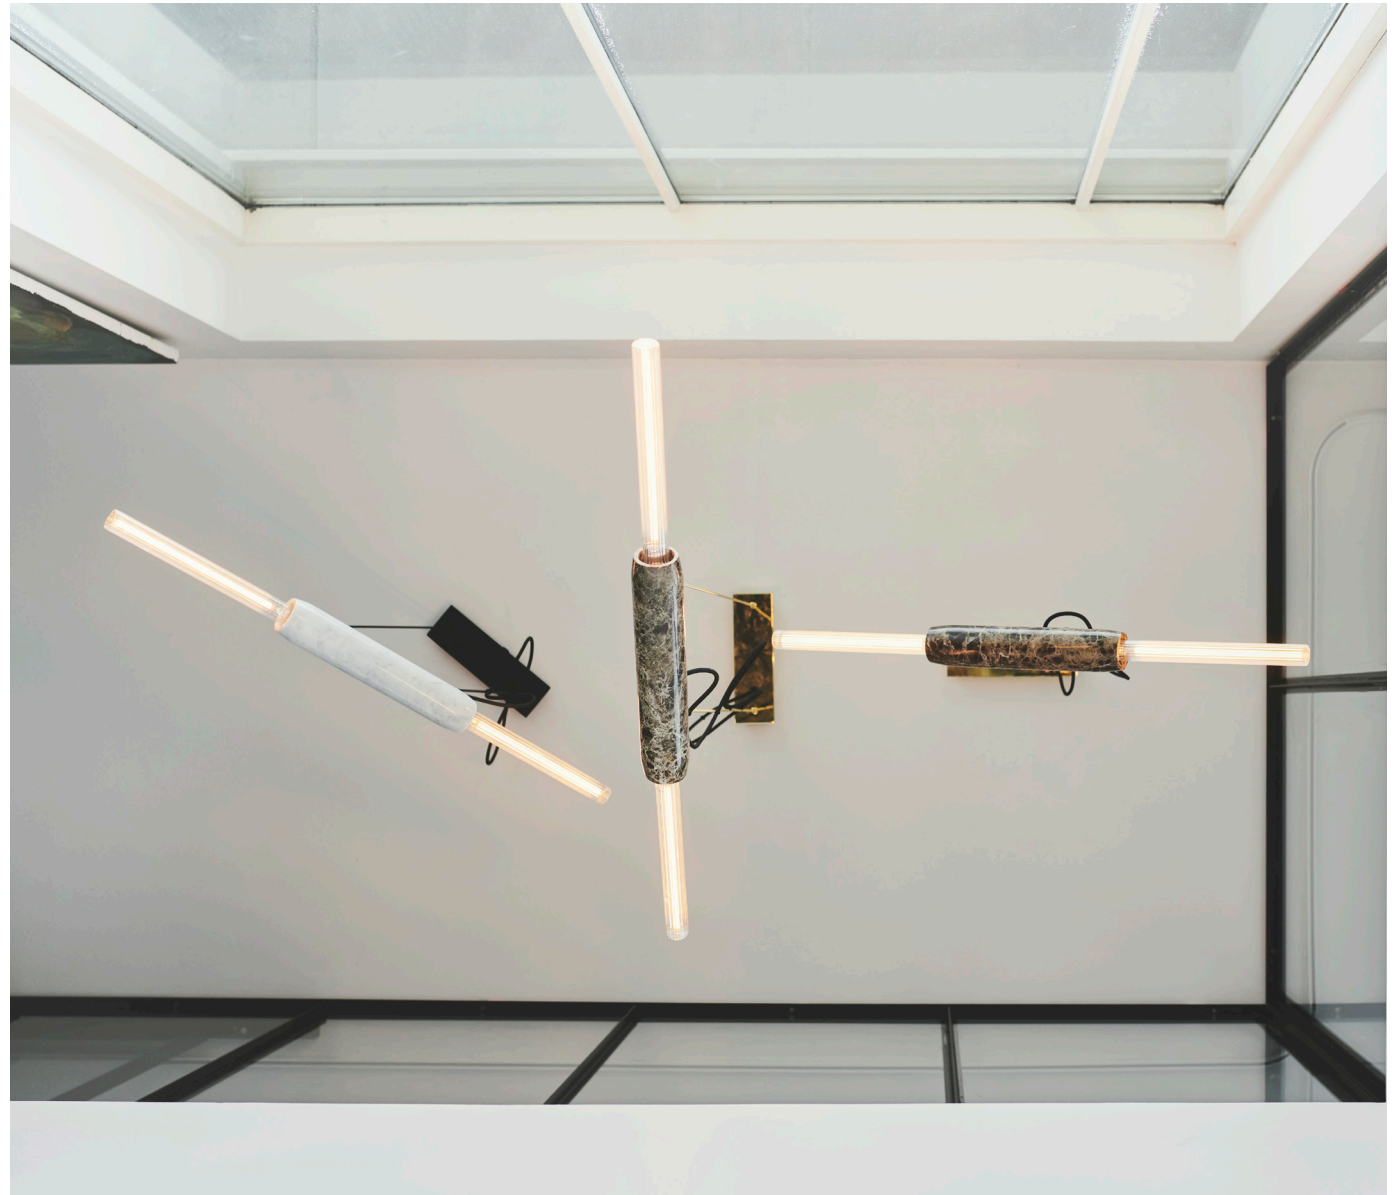

Power: 4W LED bulb

CCT: 2200K

Output: 230lm

Lifespan: 25.000 h

CRI: 90
