

TRIP

Portable illumination

DESIGN (BY) US

TIME FOR A TRIP

Clean lines and simple design in beautiful materials. We have thought about every detail in our new take on the portable, rechargeable LED lamp.

The sculptural design with polished marble and mouth-blown glass gives Trip a particular exclusive look.

Trip offers both outdoor and indoor illumination. Use Trip in the middle of the dining table for an intimate atmosphere, in the bookcase, the window sill or the nightstand, you can even take it outdoor – the possibilities are endless as there are “no strings attached”.

PRODUCT FACTS

Description

There is a touch dimmer on top, which can be set at 3 brightness levels. A full charge takes approx. 9 hours. The lamp is just as resilient as it is beautiful and can be used both indoors and outdoors with an IP44 rating. However, we do not suggest that you leave the lamp outside in the rain or at night. The lamp is supplied with a wireless charger and a black braided fabric usb-a/usb-c cable.

Designer / Year Of Design

Design by Us / 2023

Material

Marble, brass and glass

Construction

TRIP consist of a glass shade that can be either glossy or matt and a polished marble body with brass details on top. The marble base holds the battery which can be charged via the included wireless charger. The charger functions as an extension of the lamp, so that it looks beautiful even when charging.

Maintenance

Use a dry cloth to dust of the lamp. For further cleaning use a soft non-abrasive cloth with warm water - wipe with a clean soft lintfree cloth. Do not use alcohol, acid or other solvents to clean the lamp and avoid using abrasive or rough sponges.

Classification

Class III

Ip rating

IP44

Dimmable Function

3 levels: LOW (10%) | MID (40%) | HIGH (100%)

Voltage

Recharge input: 5.0 V, 2A

Burn Time - approximately

100%: 14 hrs | 40%: 30 hrs | 10%: 105 hrs

Charging Time

0-100%: approximately 9 hrs.

Battery

7500 mAh

Cord

Included

1,5 m black fabric cord USB-A/C

Can be bought separately

Art No.: 21261 - 1,5 m black fabric cord USB-A/C

Art No.: 21263 - 1,5 m black fabric cord USB-C/C

Light source - integrated

Power: 2W

CCT: 2700K

Output: 10lm | 40lm | 100lm

LED lifetime: 25.000 hrs

CRI: >80
