DOG BOWL

[type. **DOG ACCESSORIES.**]

[process. **SOLID PRESSED METAL.**]

Buster + Punch's DOG BOWL is a striking addition to our pet collection, mixing solid metal detailing with our Rough-cast finish and contrasting brushed sections.

The dog bowl is made from pressed stainless steel, in brass or gun metal with a brushed and sandblasted finish, featuring a subtle, debossed B+P logo. A silicone bumper underneath prevents slippage.
